

List of congratulations

Edith Aldridge

Congratulations, Lisa! I have always appreciated your kind, soft-spoken guidance. I wish you well always!

Mengistu Amberber

Congratulations on this milestone! It has been such an honour to study under your guidance, and I'm very grateful for all your support over the years. Thank you! አመሰግናለሁ።

I Wayan Arka

Julie Auger

Adriana Belletti

Jonathan Bobaljik

Congratulations Lisa! Many thanks once again for starting me off as my first syntax teacher (Holmberg's Generalization as the final!) and for our many conversations as teacher, colleague, mentor, and friend. All best wishes for the next chapter of the adventure!

Denis Bouchard

Claire Bower

Sandy Chung

Many congratulations! With admiration for your research on Malagasy syntax and everything you've done for Austronesian formal linguistics.

Peter Coopmans

Warmest congratulations from a rapidly warmer low country. Equally warm and best wishes for the future, both professionally and privately.

Our life at McGill has been punctuated by landmarks that left indelible memories in my now dwindling mind. Lisa's devotion to her students as much as her research, her kindness and permanent smile will remain engraved in the history of this department. Long, happy, productive and rewarding retirement!

Masha Polinsky

Your dedication, enthusiasm and insight have always been inspiring to us all. Wishing you many more years of great achievements!

Tova Rapoport

Eric Reuland

Congratulations. Thank you for the great work you did over the years, and the inspiration it provided to linguists all over the world. In the expectation that there is yet much more to come, best wishes.

From the days when you were my TA (!), to collaborating on papers and grants, and co-supervision of graduate students over many years, I have very much enjoyed and appreciated your collegiality and friendship. Best wishes for your retirement.
